

# FLEXFRAME<sup>®</sup> TRUCK SHELTER

F F - 1 0 0 0 S E R I E S S P E C I F I C A T I O N S

## Feature Highlights:

- Side frames covered with white 18 oz. coated vinyl to transmit natural light into the loading area
- Overlapping layers of fabric provide more wear resistance against the sharp corners of the trailer, extending the life of the shelter
- Raked header permits weather drainage (flat header is used when shelter is protected by a hood or canopy)
- Roll-formed galvanized steel framing
- Fiberglass stays add stiffness to shelter face curtains
