Options None Door Numbers Full Length Guide Stripes Pull Rope Assembly

Note: **Pressure Against Building Wall:** The Kelley Foamside FSR-1000 Series Truck Shelter exerts minimal pressure against the building wall when a trailer is backed between the foam side frames. If the side frames are impacted by a backing trailer and compressed, higher building wall pressure can result. If building wall pressure is of concern, steel protectors are recommended.

TS-55 and Foamside are registered trademarks of Kelley. Hypalon is a trademark owned by E.I. Dupont de Nemours & Co. and is registered in the U.S. Patent and Trademark Office. Kelley dock seals and shelters are covered by one or more of the following U.S. patents: 4,494,341; 4,679,364; 5,125,196; 5,775,044; 5,996,291; 6,073,402 and 6,170,204; 6,374,554 and 6,431,252. Other U.S. patents are pending.
